Gate Clearance

Please fill out the Gate Clearance Form and return to Guadalupe.Bradford@cdcr.ca.gov.
Form must be returned by Feb 6th, for timely processing!!

DIRECTIONS:

From East County take Route 8 West to 805 South to Route 905 East (almost to the Mexican border). If you are coming from the Los Angeles area, come South on Route 5 or Route 15 and take the 805 South to Route 905 East. (If you are in the San Diego area and are closer to 5 South than to 805 South, take 5 South to 905 East.)

Route 905 East starts out as a freeway then turns into a divided highway with traffic lights.

Count down 12 traffic lights (as a landmark, there is a 7-Eleven at the 8th traffic light), merge into your far left lane and continue straight to the 12th traffic light, (OTAY MESA ROAD). Otay Mesa Road is a two-lane paved country road. Follow it to the end. At the stop sign you will HAVE to turn left - this is ALTA ROAD.

Follow Alta Road and you will see the Prison Entrance on the left.

Lodging

Your best bet for lodging is somewhere around downtown. There are some hotels out here at the border, but not much else to go along with them. Or there are some hotels in Chula Vista CA on E Street, either at the I-5 or I-805.
