

IT'S NOT WHAT  
WE HAVE IN LIFE,  
BUT WHO WE HAVE IN  
OUR LIFE THAT  
MATTERS

Leadership is **LIFTING A PERSON'S** vision to high sights, the raising of a person's performance to a higher standard, the building of a personality **BEYOND ITS NORMAL LIMITATIONS.**

- Peter Drucker -

One of the hardest  
decisions you'll ever  
face in life is choosing  
whether to  
walk away or  
try harder.

Ziad K. Abdelnour

A fluffy orange cat is sitting at a desk, wearing a headset with a microphone. The cat's mouth is open, and it appears to be speaking or shouting. A computer mouse is visible on the desk in front of the cat. The background is slightly blurred, showing what looks like a computer monitor and some office equipment.

**"I AM giving you excellent**

**customer service**

**IF YOU WOULD JUST SHUT UP AND LISTEN!!"**

A full moon is visible in the dark sky above a field of purple flowers. The text is overlaid on the image.

**Sometimes you have  
to give up on people.  
Not because you  
don't care, but  
because they don't.**

# THOUGHT OF THE DAY

"YOUR VALUE DOES NOT  
DECREASE  
BASED ON SOMEONE'S  
INABILITY TO SEE YOUR  
WORTH"

**TREAT  
EMPLOYEES  
LIKE THEY  
MAKE A  
DIFFERENCE  
AND THEY  
WILL.**

# The TONGUE

has no bones

but is **strong** enough  
to break a **heart**.

So be careful with your words.

The strongest factor  
for success is  
self-esteem: Believing  
you can do it, believing  
you deserve it, believing  
you will get it.

**You've only got three  
choices in life:**

**Give up, give in, or  
give it all you've got.**

*Overthinking  
is the biggest cause of  
our unhappiness.  
Keep yourself occupied.  
Keep your mind off  
things that don't  
help you.  
Think positive.*

Don't change  
so people will  
like you.

*Be Yourself*  
and the right  
people will love  
the real you.

**What a beautiful world it would be  
if people had hearts  
like dogs**

3 THINGS YOU CAN GIVE  
AND STILL KEEP ARE  
YOUR WORD, A SMILE AND  
A GRATEFUL HEART.

**if i can't Learn the way  
you teach, maybe you  
shouLd teach me the  
way i Learn...**

**Don't bLame me -  
train me!**

A black and white speckled puppy is sitting on a light-colored surface. A hand is gently petting its head from the top left. The puppy has a white blaze on its face and speckled fur on its body. The background is a plain, light color.

You  
never  
regret  
being  
kind.

—Nicole Shepherd

A photograph of a forest path with snow and trees, serving as a background for the text. The path is a mix of dirt and snow, winding through a dense forest of tall, thin trees. The ground is covered in a layer of snow, and the trees are mostly bare, suggesting a winter or late autumn setting. The lighting is soft, creating a serene atmosphere.

**SOMETIMES THE  
BAD THINGS THAT HAPPEN  
IN OUR LIVES PUT  
US DIRECTLY ON THE PATH  
TO THE BEST  
THINGS THAT WILL EVER  
HAPPEN TO US.**

**Be a reflection of  
what you'd like to receive.  
If you want love, give love.  
If you want truth, be truthful. If  
you want respect, give respect.  
What you give out will  
always return.**

**Kristen Butler**

On this road called life, you have to  
take the good with the bad, smile with the sad,  
love what you got, and remember what you had.

Always forgive, but never forget,  
learn from your mistakes, but never forget.

People change. Things go wrong.  
But just remember, the ride goes on.

Some people make you  
**laugh** a little louder,  
**smile** a little brighter,  
and **live** a little better.  
Be one of those people.

# Spirit Science

I would rather surround myself with people who make a lot of mistakes and have no problem admitting to them, than to surround myself with people who think they make none.

**The biggest  
communication problem  
is we do not listen to  
understand.**

**We listen to reply.**

## LESSON OF TIME - **KARMA**

When a bird is alive.. It eats Ants.  
When the bird is dead.. Ants eat the bird.  
Time & Circumstances can change at any time. Don't devalue or hurt anyone in life.  
You may be powerful today. But remember.  
Time is more powerful than you! One tree makes a million match sticks... Only one match stick needed to burn a million trees... So be good and do good.

***When you focus on problems,  
you'll have more problems.  
When you focus on possibilities,  
you'll have more opportunities.***

**Great leaders don't tell you what  
to do....they show you how its done**

## **AND THEN SOME.....**

**The secret to anyone's success is what I call the "And-then-some syndrome." The power of these words is captured in a short essay written by Carl Holmes.**

**And then some....these three little words are the secret to success. They are the difference between average people and top people in most companies.**

**The top people always do what is expected.....and then some.**

**They are thoughtful of others; they are considerate and kind.....and then some.**

**They meet their responsibilities fairly and squarely.....and then some.**

**They are good friends and helpful neighbors.....and then some.**

**They can be counted on in an emergency.....and then some.**

**I am thankful for people like this, for they make the world a better place. Their spirit of service is summed up in these three little words.....and then **SOME**.**
