This will include, but not be limited to, controlling access to the loading area, the assignment of space, and the unloading or reloading of all exhibit related materials. HOLLINS claims jurisdiction over the operation of all material handling equipment, all unloading and reloading, and handling of empty containers, with one exception: An exhibitor may move materials that can be carried by hand, by one person in one trip, without the use of dollyes, hand trucks, or other mechanical equipment.

Advance Receiving at the Warehouse - HOLLINS will accept crated, boxed or skidded material up to 30 days in advance of the show set-up. The warehouse will receive shipments Monday through Friday during the hours of 8:00 AM - 4:30 PM. Utilities (Electric)

Utility services for this event are provided by Graceland Event Services and must be ordered directly from Graceland Event Services. See the enclosed forms for more information.

Labor

Labor is for the installation and dismantling (I&D) of your exhibit or display. Labor may be ordered using the enclosed order forms. Exhibitors may install and dismantle their own displays, provided they use their own full time company employees to do so.

Exhibitor Appointed Contractors

Exhibitors may hire the services of “Exhibitor Appointed Contractor” (EAC) labor to install and dismantle your exhibit or display. Please refer to the Exhibitor Appointed Contractor Labor information in this exhibitor service kit for information and instructions.

- HOLLINS must be notified of your intent to hire EAC labor prior to the deadline date.
- EAC must provide HOLLINS with a certificate of insurance prior to the deadline date.

Failure to meet these requirements will result in the exhibitor hiring I&D labor from HOLLINS; the EAC will provide supervision only.
Damage

No signs or other items are to be pinned, stapled, taped or otherwise attached to drape or material/equipment provided by HOLLINS with one exception: you may pin or attach by velcro - signs, pictures and/or publications to our Tack/Velcro Display Panels. Exhibitors shall be responsible for any damage to or loss of rented materials from the time they are placed on the show floor until they are returned to HOLLINS.

Equipment Use

HOLLINS does not lend equipment to exhibitors. Ladders, carts and other equipment are for HOLLINS use only. If you require assistance or equipment for the installation or dismantle of your booth, you must order labor using the enclosed order forms. If you require assistance moving materials to/from your booth, these materials are subject to material handling fees at the published rates.

Safety

In order to minimize the risk of fire and to keep exhibit halls as safe as possible, NOTHING (for example: fiber cases, cartons, boxes, personal items, giveaways, etc.) may be stored behind or between exhibit booths, behind draperies or under tables. All materials that are needed for repacking purposes must be removed from the exhibit area.

You may keep a one-day supply of literature or products at your booth. Accessible storage may be available for additional items. Please see the HOLLINS Service Desk for assistance.

Standing on tables, chairs or other rental furniture is PROHIBITED. This furniture is not designed to support your standing weight. HOLLINS will not be responsible for falls or injuries caused by improper use.

Security

Exhibitors are responsible for safeguarding their exhibits, displays, materials and equipment. HOLLINS will not responsible for unattended items left in booths.

Rentals

All materials and equipment are on a rental basis, and remain the property of HOLLINS Exposition Services. Rental items not ordered but found in booths will be invoiced to the exhibitor at Standard Rates.

Third Party Billing

If you have arranged for a third party to handle your display and be billed for services, please complete, sign and return the "Third Party Billing Authorization Form" no later than January 20, 2019; otherwise, third party billing will not be processed. Kindly note, you are ultimately responsible for payment of HOLLINS charges regardless of third party billing authorization. In the event a third party fails to pay our invoice charges before the close of the show, such charges will automatically revert to you. HOLLINS will not process any split billing between you and your display house, or with another exhibitor.

Concerns about a possible discrepancy in items ordered versus items received as well as complaints or questions about services must be reported to the HOLLINS Service Desk on the show floor. Every effort will be made to immediately resolve issues on site and make appropriate adjustments to your account. Credits and/or adjustments will NOT be made after the close of the show. NAME OF EVENT ____________________________ BOOTH NO. ____________________________

Association of Correctional Food Service Affiliates
YOU ARE ENTERING A CONTRACT WHICH LIMITS YOUR POSSIBLE RECOVERY IN CASE OF LOSS OR DAMAGE.

The terms and conditions set forth below become a part of the Contract between HOLLINS and you, the EXHIBITOR. Acceptance of said terms and conditions will be construed when any of the following conditions are met:

- THE METHOD OF PAYMENT FORM IS SIGNED
- AN ORDER FOR LABOR, SERVICES AND/OR RENTAL EQUIPMENT IS PLACED BY EXHIBITOR WITH HOLLINS
- WORK IS PERFORMED ON BEHALF OF EXHIBITOR BY LABOR SECURED THROUGH HOLLINS

DEFINITIONS

For purposes of this Contract, “HOLLINS” or “HOLLINS Exposition Services” means HOLLINS Exposition Services, and their respective employees, directors, officers, agents, assigns, affiliated companies, and related entities including, but not limited to, any subcontractors HOLLINS may appoint. The term “EXHIBITOR” means the Exhibitor, its employees, agents, representatives, and any Exhibitor Appointed Contractors (“EAC”).

PAYMENT TERMS

Full payment, including any applicable tax, is due in advance or at show site. All payments must be in U.S. funds and all checks must be drawn on a U.S. bank. Orders received without advance payment or after the deadline date will incur additional After Deadline charges as indicated on each order form. All materials and equipment are on a rental basis for the duration of the show or event and remain the property of HOLLINS except where specifically identified as a sale. All rentals include delivery, installation, and removal from EXHIBITOR’s booth. In case of cancellation of any orders or services by EXHIBITOR, a one-hour “per person, per hour” charge will be applied for all labor orders that are not canceled in writing at least 24 hours prior to the scheduled start time.

For Custom-Cut Carpet, Modular Rental Exhibits and any other custom-order items or services have already been provided at the time of cancellation, fees will remain at 100% of the original charge. If the Show or Event is canceled because of reasons beyond HOLLINS’s control, EXHIBITOR remains responsible for all charges for services and equipment provided up to and including the date of cancellation. HOLLINS will not issue refunds to EXHIBITOR of any payments made before the date of cancellation. It is EXHIBITOR’S responsibility to advise the HOLLINS Service Desk Representative of problems with any orders, and to check the EXHIBITOR’s invoice for accuracy prior to the close of the Show or Event. If EXHIBITOR is exempt from payment of sales tax, HOLLINS requires an exemption certificate for the State in which the services are to be used. Resale certificates are not valid unless EXHIBITOR is re-billing these charges to its customers. For International EXHIBITORS, HOLLINS requires 100% prepayment of advance orders, and any order or services placed at show site must be paid at the show. For all others, should there be any pre-approved unpaid balance after the close of the show; terms will be net, due and payable in ROANOKE, VIRGINIA upon receipt of invoice. Effective 30 days after invoice date, any unpaid balance will bear a FINANCE CHARGE at the lesser of the maximum rate allowed by applicable law, or 1.5% per month, which is an ANNUAL PERCENTAGE RATE of 18%, and future orders will be on a prepaid basis only. Any finance charge hereunder exceeds the maximum rate allowed by applicable law, the finance charge shall automatically be reduced to the maximum rate allowed, and any excess finance charge received by HOLLINS shall be either applied to reduce the principal unpaid balance or refunded to the payer. If past due invoices or invoice balances are placed with a collection agency or attorney for collection or suit, EXHIBITOR agrees to pay all legal and collection costs. THESE PAYMENT TERMS AND CONDITIONS SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF VIRGINIA. In the event of any dispute between the EXHIBITOR and HOLLINS relative to any loss, damage, or claim, such EXHIBITOR shall not be entitled to and shall not withhold payment, or any partial payment, due to HOLLINS for its services, as an offset against the amount of any alleged loss or damage. Any claims against HOLLINS shall be considered a separate transaction, and shall be resolved on its own merits. HOLLINS reserves the right to charge EXHIBITOR for the difference between the EXHIBITOR’s estimate of charges and the actual charges incurred by EXHIBITOR, or for any charges that HOLLINS may be obligated to pay on behalf of EXHIBITOR, including without limitation, any shipping charges. If EXHIBITOR provides a credit card for payment and charges are rejected by the EXHIBITOR’s credit card company for any reason, HOLLINS hereby provides notice that it reserves the right, and EXHIBITOR authorizes HOLLINS, to continue to attempt to secure payment through that credit card for as long as unpaid balances remain on the EXHIBITOR’s account.

LABOR UNDER THE SUPERVISION OF EXHIBITOR

RESPONSIBILITIES:

EXHIBITOR shall be responsible for the performance of labor provided under this option. It is the responsibility of EXHIBITOR to supervise labor secured through HOLLINS in a reasonable manner as to prevent bodily injury and/or property damage and also to direct them to work in a manner that is in compliance with HOLLINS’s Safe Work Rules and/or Federal, State, County and Local ordinances, rules and/or regulations, including but not limited to Show or Facility Management rules and/or regulations. It is the responsibility of EXHIBITOR to check in with the Service Desk to pick up labor, and to return to the Service Desk to release labor when the work is completed.

INDEMNIFICATION:

EXHIBITOR agrees to indemnify, hold harmless, and defend HOLLINS from and against any and all demands, claims, causes of action, fines, penalties, damages, liabilities, judgments, and expenses (including but not limited to reasonable attorneys’ fees and investigation costs) for bodily injury, including any injury to HOLLINS employees, and/or property damage arising out of work performed by labor provided by HOLLINS but supervised by EXHIBITOR. Further, the EXHIBITOR’s indemnification of HOLLINS includes any and all violations of Federal, State, County or Local ordinances, “Show Regulations and/or Rules” as published and/or set forth by Facility or Show Management, and/or directing labor provided by HOLLINS to work in a manner that violates any of the above rules, regulations, and/or ordinances.

IMPORTANT

PLEASE REFER TO HOLLINS’s “MATERIAL HANDLING TERMS & CONDITIONS” AS IT RELATES TO MATERIAL HANDLING SERVICES. CONTRACT TERMS DEPEND ON THE NATURE OF SERVICES SECURED BY EXHIBITOR THROUGH HOLLINS. TERMS & CONDITIONS MAY VARY FOR EACH TYPE OF SERVICE ORDERED.
Linear Booths

Linear Booths, also called "in-line" booths, are generally arranged in a straight line and have neighboring exhibitors on their immediate right and left, leaving only one side exposed to the aisle.

Dimensions
For purposes of consistency and ease of layout and/or reconfiguration, floor plan design in increments of 10 ft. (3.05m) has become the de facto standard in the United States. Therefore, unless constricted by space or other limitations, Linear Booths are most commonly 10 ft. (3.05m) wide and 10 ft. (3.05m) deep, i.e. 10 ft. x 10 ft. (3.05m x 3.05m). A maximum back wall height limitation of 8 ft. (2.44m) is generally specified.

Use of Space
Regardless of the number of Linear Booths utilized, e.g. 10 ft. x 20 ft. (3.05m x 6.10m), 10 ft. x 30 ft. (3.05m x 9.14m), 10 ft. x 40 ft. (3.05m x 12.19m), etc., display materials should be arranged in such a manner so as not to obstruct sight lines of neighboring exhibitors. The maximum height of 8 ft. (2.44m) is allowed only in the rear half of the booth space, with a 4 ft. (1.22m) height restriction imposed on all materials in the remaining space forward to the aisle. (See Line of Sight exception).

Note: When three or more Linear Booths are used in combination as a single exhibit space, the 4 ft. (1.22m) height limitation is applied only to that portion of exhibit space which is within 10 ft. (3.05m) of an adjoining booth.

Corner Booth
A Corner Booth is a Linear Booth at the end of a series of in-line booths with exposure to intersecting aisles on two sides. All other guidelines for Linear Booths apply.
Perimeter Booth

A Perimeter Booth is a Linear Booth that backs up to an outside wall of the exhibit facility rather than to another exhibit.

Dimensions
All guidelines for Linear Booths apply to Perimeter Booths except that the typical maximum back wall height is 12 ft (3.66m).
Island Booth
An Island Booth is any size booth exposed to aisles on all four sides.

Dimensions
An Island Booth is typically 20 ft. x 20 ft. (6.10m x 6.10m) or larger, although it may be configured differently.

Use of Space
The entire cubic content of the space may be used up to the maximum allowable height, which is 16 ft. (4.88m), including signage.
Peninsula/Split Island Booth

A Split Island Booth is a Peninsula Booth which shares a common back wall with another Peninsula Booth. The entire cubic content of this booth may be used, up to the maximum allowable height, without any back wall Line of Sight restrictions. A typical maximum height range is 16 ft. to 20 ft. (4.88m to 6.10m), including signage. Double-sided signs, logos and graphics shall be set back 10 ft. (3.05m) from adjacent booths.
Issues Common to All Booth Types

Americans with Disabilities Act (ADA)
All Exhibiting Companies are required to be in compliance with the Americans with Disabilities Act (ADA), and are encouraged to be sensitive, and as reasonably accommodating as possible, to attendees with disabilities. Information regarding ADA compliance is available from the U.S. Department of Justice ADA Information Line, 800-514-0301, and from the ADA website at www.ada.gov. Some examples of how to design an exhibit for ADA compliance:

- Make exhibits wheelchair accessible by ramping raised exhibit flooring without extending a ramp into the aisle. Note: a standard wheelchair ramp should have a grade no steeper than 1:12. This means that for every inch of rise (change in height), there should be 12 inches of run (change in length).
- Ramp the entry or use hydraulic lifts to trailer exhibits.
- Avoid double-padded plush carpet to ease mobility device navigation.
- Provide the same attendee experience on both levels of a two-story exhibit.
- Offer a signer or other auxiliary hearing-impaired apparatus for sound presentations or have a printed copy of the presentation available.
- Run an audio presentation for people with sight problems.
- Arrange touch screen displays at a height to accommodate a person sitting in a wheelchair.
- To avoid heavy fines by the U. S. Department of Labor, exhibitors must adhere to the ADA rules. Exhibits are not exempt from ADA compliance.

Structural Integrity
All exhibit displays should be designed and erected in a manner that will withstand normal contact or vibration caused by neighboring exhibitors, hall laborers, or installation/dismantling equipment, such as forklifts. Displays should also be able to withstand moderate wind effects that may occur in the exhibit hall when freight doors are open. Refer to local building codes that regulate temporary structures.

It is recommended that all 20 ft. x 20 ft. (6.10m x 6.10m) and over exhibits require a drawing, plans or renderings, preferably digital, to be submitted to the show organizer, and to the show’s general service contractor.

Exhibitors should ensure that any display fixtures such as tables, racks, or shelves are designed and installed properly to support the product or marketing materials to be displayed.

Flammable and Toxic Materials
All materials used in display construction or decorating should be made of fire retardant materials and be certified as flame retardant. Samples should also be available for testing. Materials that cannot be treated to meet the requirements should not be used. A flame-proofing certificate should be available for inspection. Exhibitors should be aware of local regulations regarding fire safety and environment which must be adhered to.

Exhibitors should dispose of any waste products they generate during the exhibition in accordance with guidelines established by the Environmental Protection Agency and the facility.

Electrical
Every exhibit facility has different electrical requirements. However, minimum guidelines are suggested:

- All 110-volt wiring should be grounded three-wire.
- Wiring that touches the floor should be “SO” cord (minimum 14-gauge/three-wire) flat cord, which is insulated to qualify for “extra hard usage”.
- Cord wiring above floor level can be “SJ”, which is rated for “hard usage”.
- Using zip cords, two-wire cords, latex cords, plastic cords, lamp cords, open clip sockets, and two-wire clamp-on fixtures is not recommended and is often prohibited. Cube taps should be prohibited.

Lighting
Exhibitors should adhere to the following suggested minimum guidelines when determining booth lighting:

- No lighting fixtures, lighting trusses, or overhead lighting are allowed outside the boundaries of the exhibit space. Exhibitors intending to use hanging light systems should submit drawings to exhibition management for approval.
- Lighting, including gobos, should be directed to the inner confines of the booth space. Lighting should not project onto other exhibits or exhibition aisles.
- Lighting that is potentially harmful, such as lasers, ultraviolet lights, or flashing or strobe lights that can trigger photosensitive epilepsy should comply with facility rules and be approved in writing by exhibition management.
- Lighting that spins, rotates, pulsates, and other specialized lighting effects should be in good taste and not interfere with neighboring exhibitors or otherwise detract from the general atmosphere of the event.
- LED lights can be very bright yet generally generate less heat.
- Currently, some convention facilities are not allowing certain types of quartz halogen lighting fixtures in exhibits due to potential fire hazards. Check with exhibition management.
- Reduced lighting for theatre areas should be approved by the exhibition organizer, the utility provider, and the exhibit facility.
Issues Common to All Booth Types

Demonstrations
As a matter of safety and courtesy to others, exhibitors should conduct sales presentations and product demonstrations in a manner which assures all exhibitor personnel and attendees are within the contracted exhibit space and not encroaching on the aisle or neighboring exhibits. It is the responsibility of each exhibitor to arrange displays, product presentation, audio visual presentations, and demonstration areas to ensure compliance. Exhibitors should be aware of local regulations regarding fire/safety and environment which must be adhered to.

Special caution should be taken when demonstrating machinery or equipment that has moving parts, cooking equipment with an open flame, or any product that is otherwise potentially dangerous. Exhibitors should establish a minimum setback of 3 ft (.91m) and/or install hazard barriers as necessary to prevent accidental injury to spectators. Additionally, demonstrations should only be conducted by qualified personnel.

Sound/Music
In general, exhibitors may use sound equipment in their booths so long as the noise level does not disrupt the activities of neighboring exhibitors. Speakers and other sound devices should be positioned so as to direct sound into the booth, rather than into the aisle. Rule of thumb: sound and noise should not exceed 85 decibels when measured from the aisle immediately in front of a booth. (Refer to OSHA at www.osha.gov for more information.)

Vehicles
Rules vary depending on the facility, but generally it is required that vehicles on display have no more than one fourth tank of gas. The filler cap should be sealed and the batteries disconnected. External chargers are usually recommended for demonstration purposes. Keys should always be surrendered to show management while participating in an exhibition or event.

Official Service Provider Information

Official Service Provider

Show Organizer, acting on behalf of all Exhibitors and in the best interest of the exposition, has appointed Official Service Providers to perform and provide necessary services and equipment. Official Service Providers are appointed to:
- Insure the orderly and efficient installation and removal of the overall exposure
- Assure the distribution of labor to all Exhibitors according to need
- Provide sufficient labor to satisfy the requirements of Exhibitors and for the exposition itself
- See that the proper type and limits of insurance are in force
- Avoid any conflict with local union and/or exhibit hall regulations and requirements

The Official Service Providers will provide all usual trade show services, including labor. Exceptions are:
- Supervision may be provided by the Exhibitor
- The Exhibitor may appoint an exhibit installation contractor or display builder

In both such instances, HOLLINS shall have no liability to any party for damage or injuries caused by Exhibitor or its third party agents. Exhibitor is responsible for the actions of its third party contractors.

Exhibitor Appointed Contractors

Exhibitors may employ the service of independent contractors to install and dismantle their display, providing the Exhibitor and the installation and dismantling contractor comply with the following requirements:

1. The Exhibitor must notify Show Management in writing and HOLLINS Exposition Services (HOLLINS) of the intention to use an independent contractor no later than 30 days prior to the first move-in day furnishing the name, address and telephone number of the firm.

2. The Exhibitor shall provide evidence that the Exhibitor Appointed Contractor has proper insurance by submitting a certificate of insurance prepared by the "Exhibitor Appointed Contractor's" insurance agent with a minimum of coverage and limits as described below.
   a. Commercial General Liability with limits of not less than $1,000,000 each occurrence, $2,000,000 general aggregate and $2,000,000 products & completed operations aggregate.
   b. Umbrella/Excess Liability with a limit of not less than $1,000,000 each occurrence.
   c. Workers Compensation, as required by law, with Employers Liability Limits of not less than $1,000,000 each accident, $1,000,000 disease - each employee and $1,000,000 disease - policy limit.
   d. Automobile Liability with a limit of not less than $1,000,000 combined single limit - each accident.
   e. The Commercial General Liability Policy shall name HOLLINS Exposition Services (HOLLINS) (Official Service Provider), PHMA (Show Management), GHC Trade Show (Show) and Town and Country Resort and Convention Center (Facility) as additional insureds on a primary and non-contributory basis. See attached sample certificate of insurance.

3. Any Exhibitor who has identified an Exhibitor Appointed Contractor must insure that the Exhibitor Appointed Contractor has a current Certificate of Insurance on file with HOLLINS or Show Management evidencing the correct coverage at least 10 days prior to the first move-in date for the show or the Exhibitor Appointed Contractor will not be able to have access to the facility to perform any work.

4. Customer acknowledges that the show site and surrounding areas are active work zones. Customer, its agents, employees and representatives are present at their own risk.

For your safety, be aware of the following:

a. Do not enter dock areas in search of empty crates. Entry into these areas is at your sole risk.

b. During tear down, pull all manageable structures back from aisle carpet lines. Electronics, mannequins, etc., should be placed in the center of the booth.

c. Be aware of vehicle traffic inside and outside of the facility. All attendees are solely responsible for their own safety in parking lots, driveways, access roads and non-exhibit hall areas.

5. For services such as electrical, plumbing, telephone, cleaning and drayage, no service provider other than the Official Service Provider will be approved. This regulation is necessary due to licensing, insurance and work done on equipment and facilities owned by parties other than the Exhibitor. Exhibitors shall provide only the material and equipment they own and is to be used in their exhibit space.

6. Exhibitor Appointed Contractor compliances:

a. Must agree to abide by all rules and regulations of the show as outlined in this exhibitor kit including all union rules and regulations.

b. Must have all business licenses, permits and Workers Compensation Insurance required by the State and City governments and the convention facility management prior to commencing work. A certificate of insurance complying with all requirements in paragraph 2 above must be submitted to HOLLINS at least 10 days prior to the first date of move in.

c. Will be responsible for all reasonable costs related to its operation including, but not limited to, overtime pay for stewards and restoration of exhibit space to its initial condition.

d. Must furnish Show Management and HOLLINS with the names of all on-site employees who will be working on the exposition floor and see that they have and wear at all times necessary identification badges as determined by Show Management.

e. Shall be prepared to show evidence that it has a valid authorization from the Exhibitor for services. The Exhibitor Appointed Contractor may not solicit business on the exhibit floor.

f. Must confine its operations to the exhibit area of its clients. No service desks, storage areas or other work facilities will be located anywhere in the building. The show aisles and public space are not a part of the Exhibitor's booth space and must be kept clear. Exhibitors may be charged for costs related to movement of its property if the Exhibitor Appointed Contractor does not contain its operations within the confines of the booth.

g. Shall provide, if requested, evidence to HOLLINS that it possesses applicable and current labor contracts and must comply with all labor agreements and practices. The Exhibitor Appointed Contractor must not commit or allow to be committed by persons in its employment any acts that could lead to work stoppages, strikes or labor problems.

h. Must coordinate all of its activities with HOLLINS.

i. Must comply with all reasonable rules and regulations of the venue, Show Management and/or Official Service Provider in order to create a safe work environment. A failure to do so can result in a delay or termination of your right to continue if the condition cannot be corrected.

j. May not move freight from one booth to another booth, or to meeting rooms. HOLLINS must provide labor.

7. All information must be received in the HOLLINS office in Roanoke, Virginia no later than 10 days prior to the show.
## Notice of Intent to Use Exhibitor Appointed Contractor

An Exhibitor Appointed Contractor is a company other than the "general or official" service provider on the show, or third party service provider designated by the show organizer in the exhibit manual as the provider of a specific service and requires access to your booth during installation and dismantling. The Exhibitor Appointed Contractor may only provide services in the venue, which are not designated by the venue as "exclusive" to a venue provider, or by the show organizer in a contract as an exclusive service for the "official" or "general" service provider or other third party. If an Exhibitor Appointed Contractor attempts to provide services designated to another party as "exclusive" or is discovered soliciting on the show floor or otherwise does not comply with the rules, the company may be removed from the show floor, and the Exhibitor will not be able to use that company for the remainder of the event.

Due to the necessity of coordinating all activities during the move-in and for security purposes, Exhibitors who choose to use these contractors must complete this form, comply with all rules and regulations (listed below) and supply HOLLINS Exposition Services (HOLLINS) with all necessary information by the deadline date indicated above.

This form will only be accepted if filled out by an authorized representative of the exhibiting company. Below are the Rules and Regulations regarding Exhibitor Appointed Contractors. Everyone must abide by these rules, which are accepted industry rules that were drafted by the International Association for Expositions & Events.

### Rules & Regulations

1. All Exhibitor Appointed Contractors must comply with show rules and regulations, and accept appropriate liability for any negligent actions.
2. The Exhibitor Appointed Contractor acknowledges that the show site and surrounding areas are active work zones and the Exhibitor Appointed Contractor, its agents, employees and representatives are present at their own risk.
3. The Exhibitor Appointed Contractor shall be prepared to show evidence to the Official Service Provider that it possesses applicable and current contracts.
4. The Exhibitor Appointed Contractor shall be prepared to show evidence it has authorization from the Official Service Provider.
5. The Exhibitor agrees that he or she is ultimately responsible for all services in connection with his or her exhibit, including freight, drayage, rentals and labor.
6. The Exhibitor Appointed Contractor shall provide certificates of insurance and must do so no later than 10 days prior to show opening.
7. The Exhibitor Appointed Contractor will be responsible for all reasonable costs related to its operation, including overtime pay for stewards, restoration of exhibit space to its initial condition, etc. Where applicable a one hour minimum labor charge will be charged at the appropriate steward rate of pay per day per union to either the Exhibitor Appointed Contractor/Exhibitor depending upon the billing arrangement set up with HOLLINS. (Based upon Exhibitor Appointed Contractor not number of booths).
8. The Exhibitor Appointed Contractor will be permitted on the exhibit floor during the show days unless provided a proper registration badge by the exhibiting company.
9. The show aisles and public spaces are not part of the Exhibitor's booth. Therefore, the Exhibitor Appointed Contractor is required to confine all activities to the exhibit space of the Exhibitor who has given the valid order for services. Exhibitors may be charged for costs related to movement of its property if the Exhibitor Appointed Contractor does not contain its operations within the confines of the booth.
10. Solicitation on the exhibit floor is prohibited. Any Exhibitor Appointed Contractor or Non-official contractor engaged in any solicitation on the exhibit floor including the distribution of official company literature will be removed from the exhibit floor, unless pre-approved in writing by Show Organizer or HOLLINS Management.
11. During show hours Exhibitor Appointed Contractors only with exhibit badges will be permitted on the exhibit floor. No installation and dismantling crew members will be permitted on the exhibit floor during show hours without the proper Convention name badge supplied by the exhibiting company. These badges should be ordered through the complimentary allotment of registration forms sent to each exhibiting company.
12. The Exhibitor Appointed Contractor shall indemnify and hold Show Management and HOLLINS Exposition Services (HOLLINS) harmless from and against any and all negligent acts or omissions of Exhibitor Appointed Contractor, its agents, employees and representatives.

### Tips to Exhibitor Appointed Contractors

1. Order services required from HOLLINS and the Exhibit Hall in advance. Ordering labor or services on-site which contractors may not be prepared to provide immediately may delay the set-up of your booth or force your set-up into overtime.
2. Take steps to protect your client's product in the booth by arranging for booth security and/or cages.
3. Please stay out of adjacent booths during set-up. Exhibitor Appointed Contractors must stay within the confines of the booth.
4. Label empty cartons and crates for storage as soon as they are ready. Holding back on "empties" only adds congestion to the aisles.
5. Do not store empty cartons inside of empty crates. Cartons are returned from storage first so Exhibitors may begin packing their product.
6. Keep "No Freight Asles" clear at all times. If HOLLINS is required to rearrange any material situated in a clearly identified "No Freight Asle," you or your client depending upon your billing arrangements with HOLLINS, will be charged a one hour minimum for forklift rental and labor.
7. Turn in outbound freight bills to the service desk on a timely basis. Holding freight bills until late in the day or turning in large amounts of freight bills to the HOLLINS Service Desk at one time may delay outbound truck scheduling and subsequently force your loading out into overtime.
1. PRODUCER: Insurance Agent/Broker who issues certificate.
2. NAME OF INSURED: Must be the legal name of contracting party.
3. TYPES OF INSURANCE: Must include types required by contract. See Official Service Provider Information in this Exhibitor Service Kit.
4. FORM OF COVERAGE: Must be "occurrence" form of coverage.
5. NAME OF ADDITIONAL INSUREDS: HOLLINS Exposition Services (HOLLINS), (Show Management), (Venue), (Show), as additional insureds on a primary and non-contributory basis.
6. CERTIFICATE HOLDER: Must be: HOLLINS Exposition Services (HOLLINS)
7. POLICY EFFECTIVE DATE: Must be prior to or coincidental with the first day of Exhibitor Move-In.
8. POLICY EXPIRATION DATE: Must be on or after the last day of Exhibitor Move-Out.
9. LIMITS OF INSURANCE: Must be the same or greater than required by contract. See Official Services Provider Information in this Exhibitor Service Kit.
10. NOTICE OF CANCELLATION: 30 days notice must be provided.
11. AUTHORIZED REPRESENTATIVE: Must be signed (not stamped) by an authorized representative of Producer.
As the official service contractor, HOLLINS is the exclusive provider of freight services. Material handling includes unloading your exhibit material, storing up to 30 days in advance at the warehouse address, delivering to the booth, the handling of empty containers to and from storage, and removing of material from the booth for reloading onto outbound carriers. It should not be confused with the cost to transport your exhibit material to and from the convention or event. You have two options for shipping your advance freight — either to the warehouse or directly to show site.

**How are material handling rates calculated?**

**MATERIAL HANDLING RATES** are calculated based on the Show Move-in and Move-out Times, as follows:
- **ST/ST:** If freight is handled into and out of the show during straight time hours.
- **ST/OT:** If freight is handled one way during straight time hours and one way during overtime hours.
- **OT/ST:** If freight is handled into and out of the show during overtime hours.
- **OT/OT:** If freight is handled one way during double time hours and one way during overtime hours.

**How do I ship to the warehouse?**

- We will accept freight beginning 30 days prior to show move-in.
- To check on your freight arrival, contact Exhibitor Services at (540) 362-3940.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed in the forms “General Information”. Your freight will still be received after the deadline date, but additional charges will be incurred.
- The warehouse will receive shipments Monday through Friday, except holidays. Refer to the forms “General Information” for warehouse hours. No appointment is necessary.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets. Loose or pad-wrapped material must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Certified weight tickets must accompany all shipments.
- Warehouse freight will be delivered to the booth prior to exhibitor set up.
- Please call the number located in the forms “General Information” if you want to ship oversized material that requires special equipment to the warehouse.

**How do I ship to show site?**

- Freight will be accepted only during exhibitor move-in. Please refer to the forms “General Information” for the specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Certified weight tickets must accompany all shipments.

**What about prepaid or collect shipping charges?**

- Collect shipments will be returned to the delivering carrier.
- To ensure that your freight does not arrive collect, mark your bill of lading “prepaid”.
- “Prepaid” designates that the transportation charges will be paid by the exhibitor or a third party.

**How should I label my freight?**

- The label should contain the exhibiting company name, the booth number and the name of the event.
- The specific shipping address for either the warehouse or show site is located in the forms “General Information”.

**How do I estimate my Material Handling charges?**

- Charges will be based on the weight of your shipment. Each shipment received is considered separately. The shipment weight will be rounded up to the next 100 pounds. Each 100 pounds is considered one “CWT” (one hundred weight). All shipments are subject to reweigh.
- On the Calculation Form, select whether the freight will arrive at the warehouse or be sent directly to show site.
- Next, select the category that best describes your shipment. There are three categories of freight:
  - **Crated:** material that is skidded or is in any type of shipping container that can be unloaded at the dock with no additional handling required.
  - **Special Handling:** material delivered by the carrier in such a manner that it requires additional handling, such as ground unloading, stacked and constricted space unloading, designated piece unloading, loads mixed with pad-wrapped material, loads failing to maintain shipping integrity, carpet and/or pad-only shipments, and shipments that require additional time, equipment or labor to unload. Federal Express and UPS are included in this category due to their delivery procedures.
  - **Uncrated:** material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting bars or hooks.

**What do I need insurance?**

- Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by riders to your existing policies.
- All materials handled by HOLLINS are subject to the enclosed Terms and Conditions.

**Other available services (may not be available in all locations)**

- **Exhibit transportation services**

Special handling applies to shipments that are loaded by cubic space and/or packed in such a manner as to require additional labor/handling, such as ground unloading, constricted space unloading, designated piece unloading, carpet/pad only shipments or stacked shipments. Also included are shipment integrity, alternate delivery locations, mixed shipments, and shipments without individual bills of lading. Shipments loaded in this manner require additional time, labor, or equipment, to unload, sort and deliver.

**What is Ground Loading/Unloading?**
Vehicles that are not dock height, preventing the use of loading docks such as; U-hauls, drop deck flat bed trailers, drop floor van trailers, company vehicles with trailers that are not dock level, etc.

**What is Constricted Space Loading/Unloading?**
Trailer loaded “high and tight” shipments that are not easily accessible. Freight is loaded to full capacity of trailer — top to bottom, side to side. One example of this is freight that is loaded down one side of a trailer that must be bypassed to reach targeted freight.

**What is Designated Piece Loading/Unloading?**
Drivers that require the loading crew to bring multiple pieces of the freight to the rear of the trailer to select the next piece, having to remove freight from the trailer then reload to fit, or the trailer must be loaded in a sequence to ensure all items fit.

**What are Stacked Shipments?**
Shipments loaded in such a manner requiring multiple items to be removed to ground level for delivery to booth. Stacked or ”cubed out” shipments, loose items placed on top of crates and/or pallets constitute special handling.

**What is Shipment Integrity?**
Shipment integrity involves shipments on a carrier that are intermingled, or delivered in such a manner that additional labor is needed to sort through and separate the various shipments on a truck for delivery to our customers.

**What is Alternate Delivery Location?**
Alternative delivery location refers to shipments that are delivered by a carrier that requires us to deliver some shipments to different levels in the same building, or to other buildings in the same facility.

**What are Mixed Shipments?**
Mixed shipments are defined as shipments of mixed crated and uncrated goods, where the percentage of uncrated is minimal and does not warrant the full uncrated rate for the shipment, but does require special handling. HOLLINS defines special handling for mixed loads as having less than 50% of the volume as uncrated.

**What does it mean if I have "No Documentation"?**
Shipments arrive from a small package carrier (including, among others, Federal Express and UPS) without an individual Bill of Lading, requiring additional time, labor and equipment to process.

**What about carpet only shipments?**
Shipments that consist of carpet and/or carpet padding only require special handling because of additional labor and equipment to unload.

**What is the difference between Crated and Uncrated Shipments?**
Crated shipments are those that are packed in any type of shipping container that can be unloaded at the dock with no additional handling required. Such containers include crates, fiber cases, cartons, and properly packed skids. An uncrated shipment is material that is shipped loose or pad-wrapped, and/or unskidded without proper lifting bars and hooks.

YOU ARE ENTERING A CONTRACT WHICH LIMITS YOUR POSSIBLE RECOVERY IN CASE OF LOSS OR DAMAGE.

Acceptance of said terms and conditions will be construed when any of the following conditions are met: This Material Handling Agreement (MHA) is signed; Exhibitor’s materials are delivered to HOLLINS’s warehouse or to an event site for which HOLLINS is the Official Show Contractor; or an order for labor and/or rental equipment is placed by Exhibitor with HOLLINS.

1. DEFINITIONS. For purposes of this Contract, “HOLLINS” means HOLLINS Exposition Services and its employees, directors, officers, agents, assigns, affiliated companies, and related entities. The term “Exhibitor” means the Exhibitor, its employees, agents, representatives, any Exhibitor Appointed Contractors (“EAC”), and any persons receiving services from HOLLINS.

2. PACKAGING/CRATES AND STORAGE. HOLLINS shall not be responsible for damage to loose or uncrated materials, padded wrap, shrink-wrapped materials, glass breakage, concealed damage, carpets in bags or poly, or improperly packed or labeled materials. HOLLINS shall not be responsible for crates and packaging which are unsuitable for handling, in poor condition, or have prior damage. Crates and packaging should be of a design to adequately protect contents for handling by forklift and similar means. HOLLINS will not accept any crates or packaging containing hazardous materials. Goods requiring cold storage and those in accessible storage are stored at Exhibitor’s own risk. HOLLINS ASSUMES NO RESPONSIBILITY OR LIABILITY FOR LOSS OR DAMAGE TO GOODS IN COLD STORAGE OR ACCESSIBLE STORAGE.

3. EMPTY CONTAINERS. Empty container labels will be available at the show site service desk. Affixing labels to the containers is the sole responsibility of Exhibitor or his or her representative. All previous labels must be removed or obliterated. HOLLINS assumes no responsibility for: error in the above procedures; removal of containers with old empty labels and without HOLLINS labels; or improper information on empty labels. HOLLINS WILL NOT BE LIABLE FOR LOSS OR DAMAGE TO CRATES AND CONTAINERS OR THEIR CONTENTS WHILE SAME ARE IN EMPTY CONTAINER STORAGE.

4. INBOUND/OUTBOUND SHIPMENTS. There may be a lapse of time between the delivery of shipment(s) to the booth and the arrival of Exhibitor, or a lapse of time between the completion of packing and the actual pickup of materials from the booths for reloading onto a carrier and during such times, Exhibitor materials will be left unattended. HOLLINS IS NOT RESPONSIBLE OR LIABLE FOR ANY LOSS, DAMAGE, THEFT, OR DISAPPEARANCE OF EXHIBITOR’S MATERIALS AFTER THEY HAVE BEEN DELIVERED TO EXHIBITOR’S BOOTH AT SHOW SITE OR BEFORE THEY HAVE BEEN PICKED UP FOR RELOADING AT THE CONCLUSION OF THE EVENT. HOLLINS recommends the securing of security services from Facility or Show Management. All MWA’s submitted to HOLLINS by Exhibitor will be checked at the time of pickup from the booth and corrections will be made where discrepancies exist between the quantities of items on any form submitted to HOLLINS and the actual count of such items in the booth at the time of pickup.

5. DELIVERY TO THE CARRIER FOR RELOADING. HOLLINS assumes no responsibility for loss, damage, theft, or disappearance of Exhibitor’s materials after same have been delivered to Exhibitor’s appointed carrier, shipper, or agent for transportation after the conclusion of the show. HOLLINS leads the materials onto the carrier under directions from the carrier or driver of that carrier. Any loading onto the carrier will be understood to be under the exclusive supervision and control of the carrier or driver of that carrier. HOLLINS ASSUMES NO RESPONSIBILITY FOR LOSS, DAMAGE, THEFT OR DISAPPEARANCE OF EXHIBITOR’S MATERIALS THAT ARE DUE TO IMPROPERLY LOADED OR LABLED MATERIALS.

6. DESIGNATED CARRIERS. HOLLINS shall have the authority to change the Exhibitor’s designated carrier if that carrier does not pick up the shipment(s) at the appointed time. Where no disposition is made by Exhibitor, materials may be taken to a warehouse to await Exhibitor’s shipping instructions and Exhibitor agrees to be responsible for charges relating to such rerouting and handling. In no event shall HOLLINS be responsible for any loss resulting from such rerouting designation.

7. FORCE MAJEURE. HOLLINS’s performance hereunder is subject to, and HOLLINS shall not be responsible for loss, delay, or damage due to, strike, lockouts, work stoppages, natural disasters, vandalism, Acts of God, civil disturbances, power failures, explosions, acts of terrorism or war, or for any other cause beyond HOLLINS’s reasonable control, nor for ordinary wear and tear in the handling of materials.

8. CLAIM(S) FOR LOSS. Exhibitor agrees that any and all claims for loss or damage must be submitted to HOLLINS immediately at the show site, and in any case not later than thirty (30) business days after the conclusion of the show or exposition. (For purposes of claim reporting, the “conclusion” of the show shall be construed as the time when Exhibitor’s materials are delivered to the carrier for transportation from the show site or from HOLLINS’s warehouse). All claims reported after thirty (30) days will be rejected. In no event shall a suit or action be brought against HOLLINS more than two (2) years after the date of loss or damage occurred.

a. PAYMENT FOR SERVICES MAY NOT BE withheld. In the event of any dispute between the Exhibitor and HOLLINS relative to any loss, damage, or claim, Exhibitor shall not be entitled to and shall not withhold payment, or any partial payment, due HOLLINS for its services as an offset against the amount of any alleged loss or damage. Any claims against HOLLINS shall be considered a separate transaction and shall be resolved on their own merits.

b. MAXIMUM RECOVERY.
