

WHO WE ARE

ACFSA is an International Professional Association created to serve the needs of Food Service personnel in the correctional environment. We are composed of members from state and federal prisons, jails, youth and community facilities. We have members in the United States, Canada and a growing number of countries throughout the world! ACFSA sets the standard for excellence and professionalism in correctional Food Service. We bring together highly skilled Food Service professionals who are interested in a common goal of providing nutritious, and cost effective meals for confined populations.
